

Report - WrenchFest and Cookout

Tom sporting a bespoke t-shirt gift from Henry.

Saturday, May 18, 2019 ~ Langley, BC

The first WrenchFest of 2019 which included a cookout (hosted by Mrs Wuffer) to celebrate Tom 'Wuffer' Carter's 75th birthday. Can this be right, Wuffer 75 years old!! A great way to say "Thank you" to Wuffer who has contributed so much to the E31 community!

There was quite an assortment of E31's (Calypso Red was the dominate colour!) on hand and one very nice Porsche 924S, with collector plates. Surprise guest, Rob Scott from Alberta, was in attendance, driving his silver E31. If there was an award for longest distance driven, he would be the winner. Appropriate dress required for the event, Tom was seen sporting the latest BC 8's t-shirt, with the BC 8's red E31 silhouette on the pocket and back of the black t-shirt. The WrenchFest was more social than folks actually working on cars. Mrs Wuffer did an excellent job organizing the food, of which there was plenty, and out did herself with the BMW themed birthday cake (black forest, yum!) and cupcakes. Hamburgers and hot dogs from the grill were the main course with event music supplied on vinyl by Daryl. Yes, that's right, only analog music for the guest of honour - vinyl is back!

WrenchFest / Cookout Attendees: Tom aka Wuffer, Martin, Daryl, Cary, Andrew, Tim, Rob, Henry, Derek, Dietmar, Norm and Ted.
