

BC Eights Go to a Movie: Ford vs. Ferrari

Sunday, December 1, 2019 ~ Surrey, BC

On a rather cold Sunday afternoon, a small group of BC Eights rendezvoused at the Caprice Theatre in White Rock to view the *Ford vs Ferrari* movie. You could tell which theatre patrons in the lobby were waiting for *Ford vs Ferrari* and those waiting to see *Frozen II* on one of the other screens. The 'little' people wearing the Frozen costumes (and their ages) was the big giveaway! It was agreed that the movie was good, but the volume for the small theatre was a little on the loud side.

After the movie, we motored to the nearby White Spot for a late lunch (or was that an early dinner?) and more discussion about the movie. Only two 8 Series cars turned out for this event - Tom and Henry drove their cars. Others attending: Andrew driving his Smart Car, Martin driving his Kia EV, Glen driving his Subaru, and John & Erica driving their Mercedes E400.

Note: John & Erica sold their E31 over a year ago, but have recently bought it back from the person they sold it to. **Welcome back John & Erica!**
