-Photos by Henry; last photo by Derek-

With British Columbia provincial health guidelines for outdoor group socializing slightly relaxed, the BC8s Breakfast Club Cars & Coffee Father's Day event was held at the Tsawwassen Mills Mall parking lot- near the Winner's store entrance. Seven E31s attended! This was a combo event that including socializing then a drive from Tsawwassen Mills Mall to Crescent Beach, then along the White Rock water front driving parallel to the promenade/pier area with their quaint restaurants and finally on to the last stop at Tim Horton's near Wuffer's garage & Spa. We finally had an event with warm temps and lots of sun with these BC8 owners attending: Martin with his 850Ci, Graham & his girlfriend Cheryl driving his 850i, Glen his son Jon and Jon's girlfriend Jacquie in Glen's 840Ci, Alex in his blue 850i, Derek and his wife Rechel and their baby in Derek's 840Ci, Wuffer in his "personalized" 850i and Henry in his Calypso 850i. It was fantastic to see such a great turn out of cars and people! Mark your calendars, our next BC8s event will be the **July 17th WrenchFest at Wuffer's Garage & Spa**- stay tuned for updates on that and other July events that have been tentatively scheduled. - Henry
