

# A Few BC8ers Social-Distancing In Their Own Way

Henry Christoff: BMW E31's are so popular, the S2000 has a difficult time with proper physical distancing.

Fort Langley, BC: Andrew Ng making a stop on the very, very quiet Glover Road for some historical site-seeing, window shopping, and a tasty Japanese lunch (take-out of course).

John Trittenbass: My Fun "German Ferrari" (cat delete - sounds awesome).

Henry Christoff: Mr. Bill helps with social distancing.

Arminster Sidhu: One of Vancouver's original E31 (850).

Andrew's Japanese Take-out Lunch: Vegetable Tempura (left) and Chirashi-don (right) carefully consumed on his 850.

Fort Langley, BC: Shop window with a fitting tribute to our frontline healthcare workers and first responders.
